The report should be at least 3000 words of text in length (excluding references and appendices). The report should also include a cover letter, explaining the purpose of the report and any information you deem important.

Deadline: Friday 27-2-09.

The report, along with the covering letter, will be submitted to the project box in the L1.14

Choice of topics:

- Write a report for the Minister of Education showing the decreasing interest of secondary school students in studying computing at university. Outline the reasons why this is so, and suggest a second level computing curriculum, which might encourage students to study computing at university.
- Write a report to the Minister of Education, giving an analysis of the gender imbalance in students of computing at 3rd level, and outline how this might be changed.
