Dear Dr. Markus Helfert:

On behalf of The 5th World Multi-conference on Systemics, Cybernetics and Informatics (SCI 2001) and The 7th International conference on Information Systems, Analysis and Synthesis (ISAS 2001) Organizing Committees, I would like to congratulate you for the paper you presented at the mentioned joint event.

The Organizing Committee of SCI, ISAS, and I, want to congratulate you for the paper you have submitted to the conference.

Your paper titled **Managing and Measuring Data Quality in Data Warehousing**, has been selected as one of the best papers presented in the session: Data and Information Quality.

The quality of the paper you submitted in the session, gave to the conference prestige and great success. Quality papers like yours are highly appreciated, necessary condition for the success of our conferences.

Thank you for your participation.

Best regards,

Professor Nagib Callaos

SCI 2000/ISAS 2000 General Chair
